## **WSP's Strategic Plan**

Chief Ronal Serpas announced today a new six-year strategic plan for the Washington State Patrol has been deployed to articulate the agency's vision and commitment for now and into the future.

The new plan utilizes a Balanced Scorecard Model to link the Governor's priorities to the Washington State Patrol's mission statement: *The Washington State Patrol makes a difference every day by providing public safety services to everyone where they live, work, travel, and play.*

The six key areas of the strategic plan will assist in providing focus and clarity to WSP's 2,200 employees as they serve Washington State citizens:

1. Safe Roadways
2. Fire Safety and Emergency Response
3. Communications Interoperability
4. Innovative Workforce
5. Core Business Processes
6. Forensic and Criminal Justice

The Washington State Patrol is "making a difference every day."
